

LAST HARVEST MINISTRIES INC.

Saving the Unborn from Abortion

Setting Captives Free

Strengthening Centers

Evangelism

2012

Four strategic missions -

Last Harvest Ministries, Inc. has dedicated over 27 years of service committed to the original purpose of promulgating the Gospel of Jesus Christ by providing practical help and hope to women in crisis, setting the captives free from the aftermath of abortion, rape, incest and abuse, strengthening the local center and sharing Jesus through systematic and systemic Bible study weekly.

Over 84,500 from 120 nations have visited our on-line-on-demand 24/7/365 church site with an average 4,000 taking part in the weekly Bible studies at

(www.lastharvestfellowship.com).

As Pastor Ken systematically teaches the Bible with a systemic focus, relating the WORD to the believer's life today. His uncompromising yet very personable approach to teaching has led people through many parts of the Bible in just four years. The past year has been an in-depth look into Matthew. We ended the year in Chapter 13 and look forward to completing Matthew by year end 2012.

Over 3 million have visited our on-line pregnancy probability test (www.thepregnancytest.com) and another 55,000 have visited (www.unplanned-pregnancy.com) Together, these two sites have funneled women seeking help because of their pregnancy to (www.findpregnancyhelp.com). In a matter of just the past two years, over 102,000 referrals have been completed. Recent changes to the site now allows women to request appointments with the local center.

For those seeking recovery help, over 8000 have completed our after abortion survey (www.afterabortionsurvey.com) our on-line email-based course (www.freemetolive.com) and another 75 have ordered workbooks for their center's support group, and approximately 50 new facilitators were trained through (www.afterabortiontraining.com)

SETTING THE CAPTIVES FREE!

After abortion recovery is today a standard in most pregnancy resource center. Last Harvest was a major

player in bringing after abortion to centers in the early 1980s and 1990's. Our alumni are today leaders of recovery for Watermark Church, June Hunt's Hope for the Heart, Faces of Abortion TV and several prison ministries in Texas and Alabama.

A ministry of Compassion! Saving the Unborn - Setting the Captive Free -Strengthening the Centers - Preaching/Teaching

DONORS

We appreciate the dedicated support that has been our backbone of support in 2011.

Rockville Clinic (Rockville, MD)

Tug Windle (Athens, TX)

Gail Fry (Greenville, TX)

Total donations 2011: \$3,900

ENCOURAGERS

I appreciate the many I speak to throughout the day from pregnancy resource centers, publishers, authors and others who upon hearing about what we do, are lead to pray, send us letters and cards of communications.

What we are praying for this year:

I am praying that more individuals and corporations will see Last Harvest Inc. as a community benefit. From 1984 until today, we have been faithful to our calling and purpose. Our journey has been somewhat like the Apostle Paul's journey. I have been lifted high, taken before world leaders and have been brought very low, persecuted, trashed, hit hard and condemned. Our nearly three decades of mission have seen the ministry operate a pregnancy center next to a clinic, conduct training seminars in over 100 cities, write and publish *Healing the Hurts of Abortion and Free Me to Live*, record and syndicate 2000 radio shows (*Abortion Awareness in Action*) to 85 markets, and today publish and maintain thirty-eight (38) web sites, social media sites and landing pages. Every week, daily devotionals are published and promulgated to our social media network, Bible studies and *Monday-Minute.com* report advisories are published as video presentations. All of this for the advancement of the mission set forth by this ministry.

We are aggressively reaching the world with the Gospel of Jesus Christ, sharing hope and encouragement and training with over 600 pregnancy resource center

directors nationally. We are helping and praying with the hurting on a daily basis.

All for the GLORY OF OUR HEAVENLY FATHER!

Thus, I pray that you who read this newsletter will pray about what you can do this year. I ask you humbly to tell at least five others you know about this international ministry of hope and help.

Our real needs include:

Putting a new roof on Marshall Tx facility.

Removing and repairing black mold in the basement of Marshall Tx.

Refurbishing the property to allow it to once again be used for the ministry's recovery outreach.

We need to raise \$50,000 to put Marshall back into business.

We are driving two cars currently a 93 Plymouth van and an 91 Mercury Tercel. Both cars have transmission issues and both have over 200,000 miles on them. We desperately praying for a 4 passenger truck to enable trips to /from Marshall carrying tools, materials.

I am praying for someone who is in their 30's who see this vision as his or her vision and wishes to be mentored over the next few years to be my replacement when I retire.

If you can help, please contact us:
