

2010 Year End

# WHAT WILL YOU DO?

## Doer of the Word.....

One who sees the need and takes positive, personal action to make a difference.

Help us end 2010 strong.  
Young mothers need your help!

### Last Harvest Ministries, Inc.

providing care and compassion to those in need to save unborn lives, set the captives free, while sharing the Gospel of Jesus Christ

## LIVES ARE AT STAKE!

**NARAL, Planned Parenthood, the ACLU, and other radical pro-abortion, anti-life groups are aiming to shut down all prolife pregnancy centers calling what we do "radical terrorists" because they care!**

Christ was born to bring peace into the world.

**But even with Christmas on the horizon, there's one place where peace is nowhere to be found: the battle to save unborn babies.**

Abortion-minded factions are:

- Labeling Care Net "anti-choice."
- Organizing campus protests against pregnancy centers.
- Creating roadblocks for pregnancy centers with hostile legislation.

# WE CAN'T HELP ANYONE .....

Without your help!

**Our enemies have one aim:** hindering our shared effort to protect the lives of unborn babies.

Clearly, our efforts are making a difference!  
**That's why I want to thank you, in advance, for supporting young mothers and their babies.**

But the fight's not over. With just weeks left until the end of the year, I really need your help to end 2010 strong

so young mothers can continue to be blessed by the peace of God in the coming year.

**When you send in a gift before December 31, 2010, you will be helping us save even more lives in 2011!**

All you have to do is give above and beyond what you normally would do.

As you prayerfully consider sending a generous gift, I hope

We are hanging on a cliff depending on your support

you'll experience the blessing of God's Son, the Prince of Peace, who was born for us on Christmas Day.

Merry Christmas,

Ken Freeman  
president
