## LAST HARVEST - THE OUTREACH

Advancing the cause of saving the unborn from abortion, setting the captives free from the hurts of life, empowering and supporting local pregnancy center in the USA & Canada and Sharing Jesus to everyone in these last days.

Many have said, Last Harvest-The Outreach has been a life-saver to them. Their baby has been born rather than aborted. Their lives have been set free from the dark chains of slavery to the life-dominating experiences of abortion, rape, incest, abuse and even ritual abuse. For thirty-five years, the outreach has been operating, saving the unborn, setting the captives free and helping centers. Today, we get the honor and privilege of hearing from alumni that we touched decades ago.

If you wish to be part of this life saving, life changing outreach, I invite you to prayerfully ask God what you are to do! Listen to His voice! If He says write a check, use our PAYPAL button online or simply to pray for us or tell others about us, then let me urge you to obey!

## TAKING JESUS TO A HURTING, BROKEN WORLD!

Together, you and I will take the good news of Jesus Christ to this lost, dying and hurting world. As we move in to the days of Tribulation mentioned in Matthew 24 and Luke 21 and Revelation 1-7 along with Daniel 1 and 2 and II Thessalonians 4: thus may will fall away, many already have turned away from light unto darkness. Literally we know that we are watching men and women falling in to sin's bondage at record rates. Almost half this nation is living in debauchery and sin. Thus, the hope of Jesus is needed more than ever!
